The 1953 Falcon

Foreword

Just two short years ago, on a September morning in 1951, Fulton High School officially opened its doors to the girls and boys of North Knoxville. At that time, it meant only a building to us, a place to go five days a week and study. Then, as time rolled by, and we worked together, played together, and shared good and bad fortune alike, it ceased to be an empty shell and became something real, a place in which our academic life and a great deal of our social life was centered.

You and I are Fulton High School. It is, and will be in the future what we make it now while it is yet young.

It is now with pride that we, the Falcon staff, present to you, Fulton High School, our 1953 yearbook and with it a sincere desire that the memories herein will be safeguarded and cherished in our hearts forever.

YOUR ANNUAL STAFF

History

Several years ago the need was felt for new schools, as Knoxville was growing larger every year. Scott Hill, at the corner of Broadway and Woodland, was selected as the site for Fulton High School, the largest of the new schools. We received our name from Weston M. Fulton, who founded the Fulton Sylphon Plant. He started as a machinist and through initiative and skill rose to be one of the great industrial engineers of the South. The Board of Education officially authorized Barber and McMurry architects to start plans for the school in the spring of 1948. These plans were approved in the spring of 1949. The construction company, Foster and Creighton, received the bid and began construction officially August 25, 1949. They were given six hundred days to complete the work, the estimated time of completion being April 15, 1951. Due to changes in plans the building was not completed until shortly after school started on September 5, 1951. Fulton was given the title, "Knoxville's Comprehensive High School", which means a school covering the entire field of education. Besides being academic, Fulton has the only complete shop program offering training to students which will enable them to enter skilled trade directly upon graduation or to attend college if they desire. Arrangements were made to allow students from any part of the city who are interested in the shop program to enroll at Fulton. Judging from the rapid progress since the opening of school, Fulton, in time, will become one of the outstanding schools of the South.

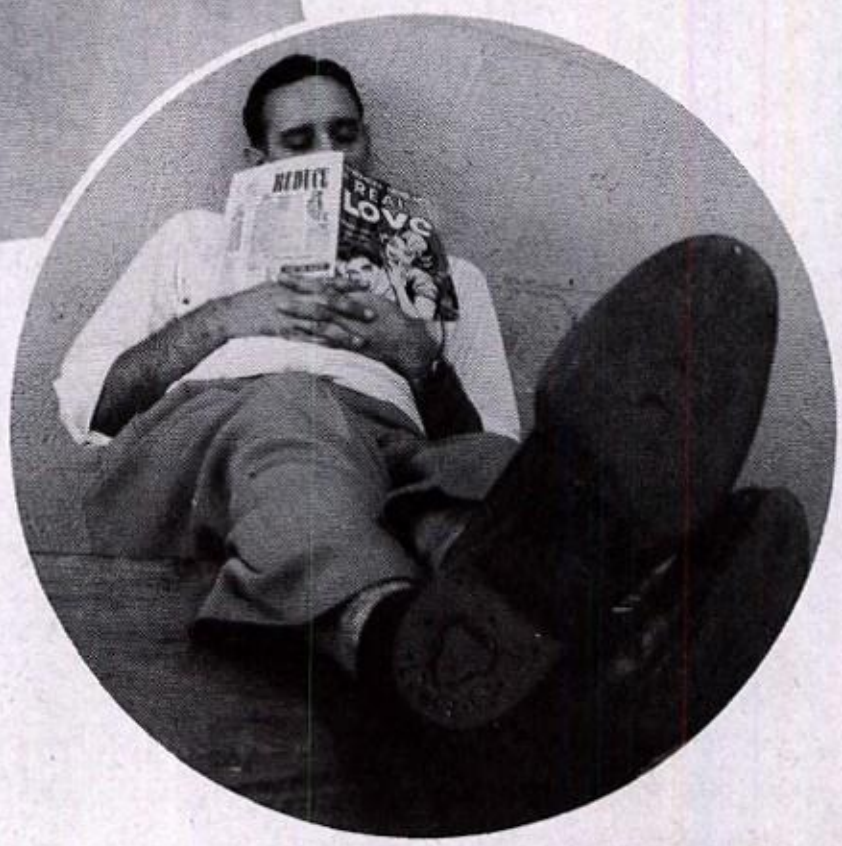
DEDICATION

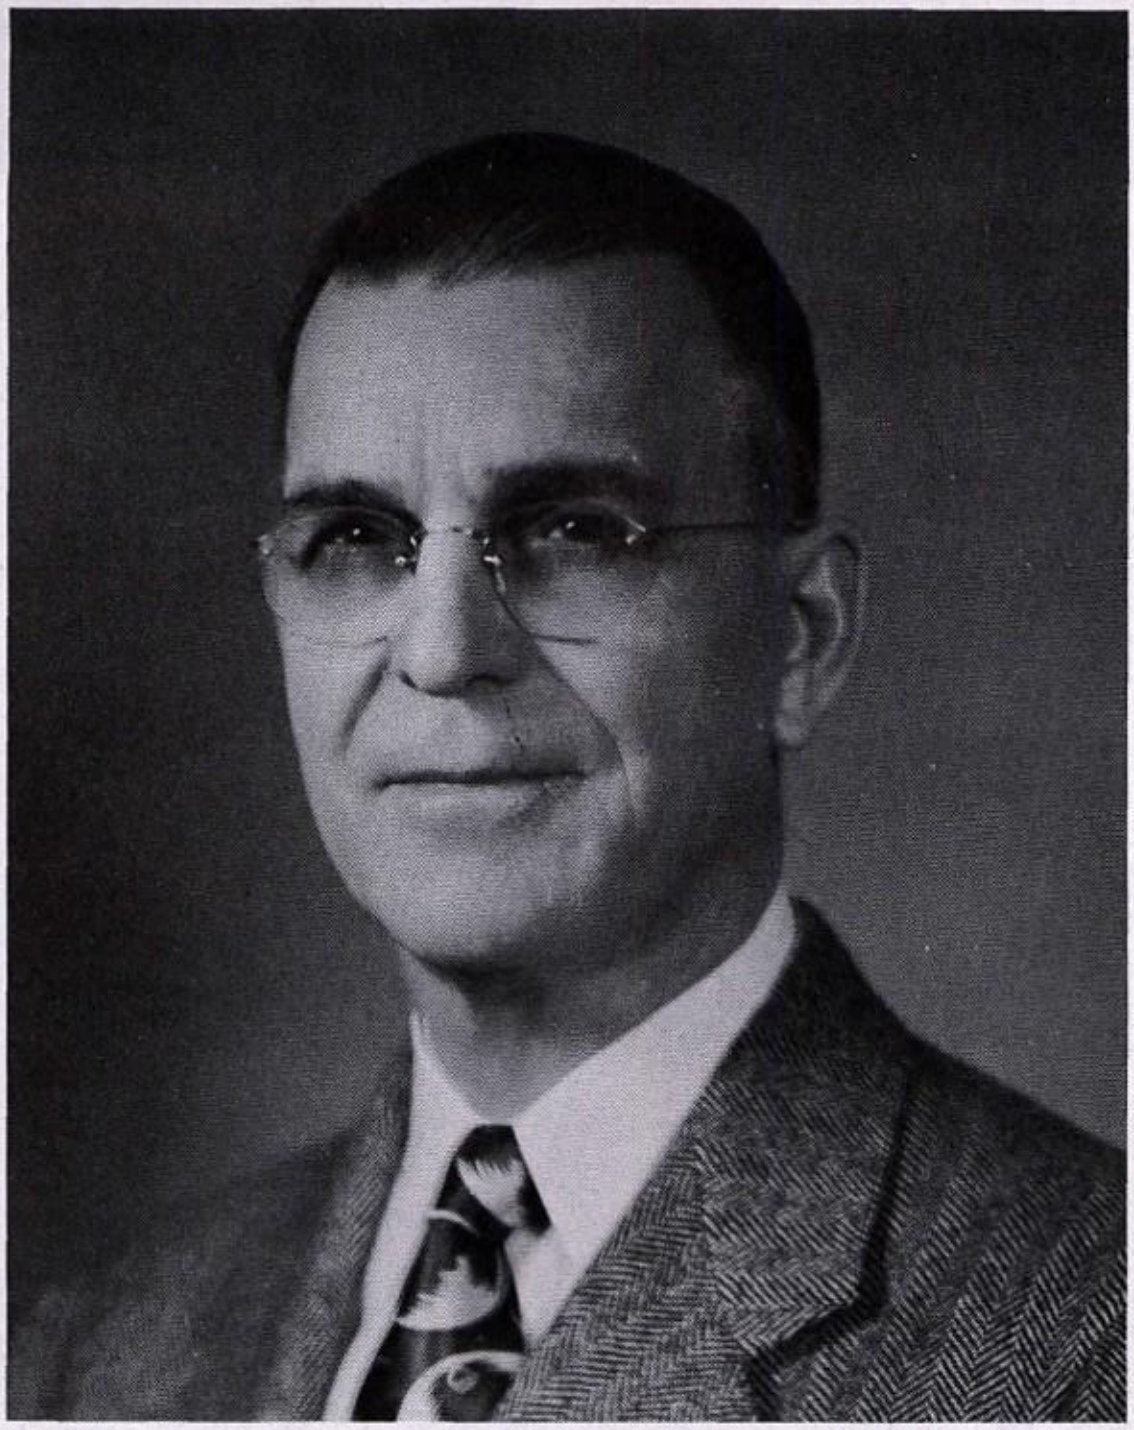
Mr. Robert Gammon



Gammon at work.

It is with great pride and pleasure that we of the Falcon Staff dedicate this, the 1953 Falcon, to Mr. Robert Gammon. His willingness to serve others without thought of personal reward has caused him to become admired and respected by all with whom he has come in contact.

Administration



Mr. Wilson New

A message from Mr. Wilson New

Superintendent of Knoxville City Schools.

To The Student Body of Fulton High School:

My congratulations to all of you for your progress in school thus far. To the senior class, especially, much credit is due for your continued effort through twelve years of your school work. I am sure that for many of you there have been times when you felt like saying, "Oh well, what's the use." It takes ambition, courage and hard work to reach the goal of high school graduation.

To all underclassmen, let me express the hope and belief that you will continue along the education highway until you achieve high school graduation.

I wish to express to each and every one of you my sincerest thanks for your high standards of scholarship, sportmanship and for being good citizens.

High School graduation is really a COMMENCEMENT. Upon finishing high school you may "commence" a college career or you may embark on a business career directly. Whatever your goal, may success go with you.

Mr. Tom Johnston

If any one person could be responsible tor a school as big, as unique, as wide in scope as our Fulton High, then that person would be Tom Johnston, our principal. Not only has he helped plan the building, but also has set up a comprehensive school within its walls. He has successfully managed it through its first two years, and we sincerely hope that he will continue to lead the youth of our community.

Mr. W. M. Davis

Mr. W. M. Davis, our assistant principal, is most co-operative with the staff, and, because of his personal interest in each student, he is tireless in his efforts to help them fit happily and properly into the school life of Fulton High. He has been an asset to Fulton in the past two years of its existence, and we are looking forward to his faithful leadership in the years to come.

Last Will and Testament of the Senior Class

When in the course of human? — events it becomes necessary to depart from dear ole' Fulton High School, we of the Senior Class are about to shed some duck tears. We have to leave, but we can't take it with us. So—we leave to:

THE JUNIORS — All our bandages and medicines in the hope that they won't get cut as much as we did.

THE SOPHOMORES — The Green Hornet, in the hope that they can make it run.

THE FRESHMEN — All our ropes in the hope that they will be able to hang as loose as we did for 4 years.

COACH SHARP — All our fathers' suspenders in the hope that something will come up.

COLONEL LOWERY — The duck tears that we have just shed in hopes that they put out the fires in the sinks.

MISS VAUGHT — An elevator (handy pocket size) so she won't have to walk up those 99 steps from Broadway.

MISS KENT — All our cuss words, if you'll pardon the slang.

MR. TURLEY — A joke book to replenish his threadbare supply of jokes.

MISS BEVERLEY — The hopes of selling more annuals next year.

MISS PAUL — Another historical fact: Mr. Andre was the best metal termite in the nation.

MR. TORRESANI — All the sawdust out of our heads for use in future students.

MISS CHESNUTT — All our imperfections along with a tear for the few students that didn't have any.

MISS ADCOCK — A beautiful orchid to wear in her hair to school everyday.

MR. GAMMON — Our gratitude for the good ole' Joe he has been to us.

MRS. CARUTHERS — All our clacking typewriters in hopes that she will get a permanent room for them.

We hold these truths to be self-evident, that all students are created equal (Teachers! Please take note and make an effort to pass us.)

We therefore, solemnly leave _____ if we can.

The Senior Class

Attention Ladies and Gentlemen, Goofs, and Idiots! You are about to witness the greatest spectacle of all time. — 4 seconds — 3 seconds — 2 seconds — 1 second — And now the "Big Bad Bird" is zooming into space. Destination — land of Eternal Stupidity.

You know of course, that the brains behind this deal is none other than the great master mind, Eugene Cox. And we must not forget the wonderful mechanical geniuses who built the ship, Owen Hornby, Bill Watkins, and Earl "Nashville" Wells. As we look into the control room, we see Gerald "Sex Appeal" Raine, Ozzie Huffaker, and Fern Lou Bales (How'd she get in here?) vainly trying to decide which way is up. You see, Gerald insists that to go up you must head sideways.

Leaving the control room, we step into the kitchen of the ship. Cooking madly away are Pat Chambers, Marilyn Coatney, and Iva Lee Hill. Peering over their shoulders is the universally famous dietitian, Faye Large. Over in the corner we see the two most successful dishwashers of all time, singing "Grandma's Lye Soap" and using same, Joe Rogers and Pat — oh! Pardon me! — Patricia Hinds.

Now we are entering the recreation room. In the center is a beautiful and gigantic swimming pool. Swimming around is the wonder of the universe, Saralene "Sardine" Johnson. A reporter standing by, Charles Kennedy, tells us that there has just been a bathing beauty contest. Judges were: Robert Reeverts, "Frankie" Blackett, and Charlie "Bull" Durham. They are now warbling their theme song, "Knight and Day". Instead of having a head judge, there was a "figure" judge, Raymond Bell. By the way, the winner was the gorgeous, figure-perfect Buggy "Buck" Buckley.

At this time we must mention that we have the new president of the United Mine Workers, Bill "Mogo" Rook, with us today. By the way, he is also the heavyweight wrestling champion of the universe.

As the strains of "In the Sweet By and By" reach our ears, we see Rev. James Cavalaris conducting a prayer service for Billy Neel. Poor Bill is loved by all women, especially one Louise Bales, and has a horrible time keeping them away.

Next is the Night Club, where a stupendous (mostly stupid) floor show is going on. These is the immortal J. "Cobb" Easterly singing "Asleep in the Deep" (We wish he were). And now the beautiful torch singer, Barbara Davis is practicing fire swallowing with her torches while the band plays "Kiss of Fire". Incidentally, the band leader is none other than Don Edwards. Entertaining the poor sots on the first row, (Wild) Bill "Big Red Dooker" Satterfield and Bob "Little Red Dooker" Miller, is a marvelous bubble

dancer, Betty Turner. However, she is having quite a bit of trouble trying to keep the "coon" brothers, Leroy Smithwick and Roy Bently from bursting her bubbles. Now the chorus line staggers — I mean dances — out on the stage. They are Pat Robertson, Wanda Henry, Jo "Iodine" Newcomb, Charlie Jean "Mother" Eudy, Pat Taylor, Bessie Van Hook, Nancy "Eenie" Norton, Peggy "Toons" Looney, Carolyn Craig, Angela "Swivel Hips" Stramiello, Katherine Johnson, and Shirley "Wool" Williams. Slipping around is our gal with the long tresses, Bertha Black. We'll never tell, but she is really the head of our "spacers" vice squad, selling: C-12 H-12 N-2 O-3 powder. Her accomplices are Mona Weaver, Sandra Levinson, and Don Loy. Over in the corner are the hat check girls, the "Royal" Martha "Frenchie" French and the peroxided beauty?, Hulinda Tapp.

Sad, but true is the fact that not all the people in the world today are successes, and as we look in the closet on our right we see Nathan Allison and Patty "Kissable" Taylor, standing on their soap boxes, debating the subject "Which Comes First the Chicken or the Egg" to their audience of a cocker spaniel and 2 jay birds.

Hark! Do we hear some melodious voices singing a lullaby? Why look — it's Jimmy "Idiot" Ward, Glen "Cherokee" Keeton, Bob Norris, and Charlie Stephens bouncing their brats on their much used laps.

Last but not least, we have some leaders who seem to be much needed among our lowly "spacers". They are Kay "Pres" Lennon and Donnie "Veep" Lobertini. We hope that some of their teachings will help Carolyn "Hot Rod" Heins and prevent her from being "Rooked" into anything.

Ouch! What was that bump? Oh, Say folks! We're here! Here in the land of eternal stupidity! Just breathe in the air. It really does something to you, doesn't it? You know, the horse is the most useful of all animals. So is the cow. My mama had two ducks. One of them died. It smelled awful. If there's anything I hate, its a Horse.

Lots of luck to a
very sweet girl.

You are a

girl. Sincerely
Peggy

We at Fulton are very proud of our school paper, The Falcon Quill.

Where, in the south, is there another paper of such quality which is written, edited, published, and sold by school students?

The Quill's staff deserves a wealth of appreciation. They have earned it.

May our paper grow in fame as will our school.

The Key Club is an organization that was started to help our school and community. The name stands for exactly what it says, Key Club, the key club in the school. It is a non-profit organization, and we raise money only to send delegates to District and International conventions. This club has been organized here at Fulton nearly two years and we think that we have gotten off to a good start. This year we plan and hope to be one of the leading clubs in the area. We are very fortunate to have in our club one of the Lieutenant Governors of the Kentucky-Tennessee District, Robert Reeverts.

THE OPTIMIST CREED
PROMISE YOURSELF
TO BE SO STRONG THAT NOTHING CAN DISTURB YOUR PEACE OF MIND.
TO TALK HEALTH, HAPPINESS AND PROSPERITY TO EVERY PERSON YOU MEET
TO MAKE ALL YOUR FRIENDS FEEL THAT THERE IS SOMETHING IN THEM
TO LOOK AT THE SUNNY SIDE OF EVERYTHING AND MAKE YOUR OPTIMISM COME TRUE
TO THINK ONLY OF THE BEST, TO WORK ONLY FOR THE BEST AND EXPECT ONLY THE BEST.
TO BE JUST AS ENTHUSIASTIC ABOUT THE SUCCESS OF OTHERS AS YOU ARE ABOUT YOUR OWN
TO FORGET THE MISTAKES OF THE PAST AND PRESS ON TO THE GREATER ACHIEVEMENTS OF THE FUTURE
TO WEAR A CHEERFUL COUNTENANCE AT ALL TIMES AND GIVE EVERY LIVING CREATURE YOU MEET A SMILE.
TO GIVE SO MUCH TIME TO THE IMPROVEMENT OF YOUR SELF THAT YOU HAVE NO TIME TO CRITICIZE OTHERS.
TO BE TOO LARGE FOR WORRY, TOO NOBLE FOR ANGER, TOO STRONG FOR FEAR AND TOO HAPPY TO PERMIT THE PRESENCE OF TROUBLE.

Resume 1952 . . . . . (9-1-0)

FULTON—13 . . . YOUNG—6 . . .
The Falcons opened the season with an impressive win over Young. The play of the game was disrupted by faulty ball-handling resulting in many fumbles. Don Lobertini scored twice and was ably assisted by Glen Keeton. Defensive standouts were Jim Harrington and Bob Norris. Bill Rook suffered a dislocated shoulder and was lost for the greater part of the season.

FULTON—48 . . . FARRAGUT—0 . . .
Admiral Farragut went down with his ship to the score of 48-0 as Coach Wildman turned the Falcon Squad loose on the undermanned and out-fought Admirals. Everybody got into the act as Lobertini scored two T.D.'s; Keeton, two; Satterfield; Wilson; and Edwards, one each.

FULTON—33 . . . BEARDEN—7 . . .
Glen Keeton and Jerry Yearwood led the Falcons to a 33-7 victory over the highly-respected Bearden Bulldogs. Lobertini was side-lined but Keeton more than replaced him at tailback. The climax of the game was the scoring of three quick T.D.'s in the last half. Keeton led the scoring with three T.D.'s He was aided by Yearwood with one and Stephens with one on a blocked kick. As a result of Keeton's rampage, he was selected State Player of the Week.

FULTON—19 . . . ERWIN—6
Caught napping by a speedy, "Split-T" Erwin team, the Falcons fought from behind to win a roughly played game 19-6. Paced again by Keeton and Yearwood and a fine defensive line, the Falcons more than met the challange. Yearwood, Keeton, and Lobertini each scored one touchdown.

FULTON—21 . . . JEFFERSON CITY—7 . . .
Cool weather and streaks of impotency hobbled Fulton against the Jefferson High Elks. After they finally got to rolling, the score ended a respectable 21-7. One encouraging fact for the Elks, however, was that they scored their first T.D. of the season. Keeton hogged the show with three touchdowns.

FULTON—6 . . . RULE—20 . . .
This one was just too inhuman or was it too much Human? Yearwood tallied for us first, that's all! From then on it was just too much Golden Bears. Led by Human and a defensive line (and a half) Rule dominated play. This seemed to be their day and were they taking advantage of it. Our offense was impotent and the defense only slightly less so.

FULTON—6 . . . CENTRAL—0 . . .
Them county boys liked to have handed us another'n. This'n was really tough. Only in the fourth quarter did we get the break we needed. Norris recovered a fumble, Bob Foust executed a beautiful pitch-out to Keeton on the next play, and he set sail to the Central 6. From there we scored in two plays. That was it!

FULTON—41 . . . DAYTON—15 . . .
With smog in their eyes, Fulton defeated Dayton to the tune of 41-15. Everybody got into the act again as Keeton, Foust, each scored one and Dyer and Yearwood each got two. The Yellow Jackets baffled the Falcons with the "T" again, although we solved it to the Jackets downfall.

FULTON—26 . . . WEST—13
Two quick T.D.'s in 13 seconds of the first half is all that kept a fired-up West crew from upsetting the home team. They threw everything they had — eight and nine man lines, "T" formations, and a surprising "I" formation — in an effort to upset their bigger cousins from across town. Scoring were: Keeton on a buck, Dyer on an intercepted pass, and Lobertini, with two, on a pass and a reverse.

FULTON—9 . . . EAST—7 . . .
Boy's this was it and was it tough! This game was good old rock 'em-sock 'em football with a little spice thrown in by East's attempted razzle-dazzle formations. When the smoke had settled and firing ceased, we were on the big end of a 9-7 score due to Glenn Keeton's T.D.; Yearwood's block of Cox's kick, resulting in a safety; and a fine defensive game on the part of the whole team. This was the big'un and cinched the trophies shown at the top of the page.

Dr. Johnny Lehman

Our sports section would not be complete without mention of the fine cooperation and faithfulness given us by Doctor Johnny Lehman. Serving as our team physician, Doctor Lehman was on hand at every football game. Surely some of the credit for success of our team goes to Doctor Johnny for keeping our team in top notch physical condition.

In Closing

This is the end of the feature section of your annual. We realize it is not perfect, but we have worked hard this year toward bringing you a fine yearbook. We know the staff will work just as hard next year, and if anyone has any suggestions which will tend to improve next year's annual, don't hesitate to let them be known. Finally, we sincerely hope these pages will mellow and become a sentimental treasure in the years to come.

We would like to express our appreciation for the fine cooperation given us by faculty and students in producing this book.
